1. All judges are to be certified and/or highly qualified for their area of responsibility.
2. The judges shall read carefully the General Regulations, Division Rules and all special rules under the heading of the department in which they are responsible.
3. Judges shall adhere to the criteria required by their division. Judges MUST NOT award prizes to an unworthy exhibit. It is the intention of the Fair Committee that no

premium of distinction of any kind shall be given to any animal or article that does not meet the criteria. This rule MUST be strictly adhered to, whether or not there is competition within that lot. See each division for the criteria required.

4. Ignorance of rules is inexcusable for a judge.
5. For judging purposes, superintendents reserve the right to combine or separate similar classes and lots depending on the amount of entries.
6. Decisions of the judges are final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of award, is apparent.
